

# HIGHPOINT AT APPELLA

## Snow Removal

The first business day (M-F)  
after snowfall.

-  **NO PARKING** in spots highlighted in red at anytime during winter months.
-  **NO PARKING** in spots highlighted in yellow between 9am-4pm, M-F, until cleared.
-  **PARK** in spots highlighted in purple until snow is cleared in yellow areas.
-  **PARK** in spots highlighted in blue if you are unable to move your car after a snow fall.

### Sidewalks (Be careful!)

Sidewalks are cleared more frequently than the parking lot and driveways. Please do not park your vehicle bumper over any sidewalks. Ice melt is applied as needed.

### Parking & Driveways

Our parking lot and driveways are cleared by a third-party. We've requested that they clear the driveways before 8am and 4pm daily.

Sand, salt or ice melt chemicals may be applied to driveways as needed.

If you are going out of town then please contact us as the best place to park or park in the areas highlighted in blue.

*Always park your vehicle in highlighted areas where snow has already been cleared.*

Nate Viall, Site Manager, 641-456-6329

Always park your vehicle in highlighted areas where snow has already been cleared.
